POUNDS  POCKET

Mental & Physical impact of debt

- 1 in 5 people had taken time off work due to debt while a further:
 - 19% had problems finding work due to debt
 - 15% had increased work hours significantly to help with debt
 - 12% had given up work
 - 9% had lost their job

Saving Money, saves you money.

- It is wise to save for those unexpected emergencies, such as the washing machine breaking down or loss of earnings due to ill health
- Saving for those yearly bill such as the car insurance can save you up to £85.00 a year in some cases.
- Saving also helps you prioritise and plan for the future. (The deposit on your first home, that dream holiday, those significant birthdays)

CIPP's commitment to make a difference

- One minimum “Standard” for information
